ANNOUNCEMENTS

Call Committee Update

The Call Committee is finishing up the final sections of the Ministry Site Profile (MSP)! We will hold a town hall meeting for the congregation on Sunday, November 6th after worship. Please join us! The Call Committee will present the MSP, explain the process, and answer any questions from the congregation.

The completed MSP must be voted on by the CTK Council. Once approved, the MSP will be submitted to the synod for review. This is a huge step closer to finding a new pastor for CTK. Thank you for your input and support as we move forward with the call process.

Want to know what the Call Committee is doing? Check the posters across from the office for the progress!

You Can Make a Difference

Masisiwe Scholarship Fund

During October you can pledge or give to support the students of Masisiwe. Any amount is most welcome. Pledges will be due by November 15. Please see Polly Morrison in the fellowship hall after services to sign a letter to the students. Our support determines if they can continue education beyond 6th grade.

Asante Sana..

Keeping Closed Doors

Normally when we think of church doors, we think "keep them open for all to come in". Thinking fire safety, the opposite is important. According to the Firefighter Safety Research Institute (FRSI), closing doors helps prevent a fire and toxic damaging smoke from spreading and can save lives and property. If you notice inside doors at CTK left open, please join in practicing safety and close them.
